

Title I Statewide School Support/Parental Involvement Initiative Publications

SCHOOL SUPPORT

The Ten Components of a Title I, Part A Schoolwide Program

The Ten Components of a Title I, Part A Schoolwide Program document walks you through the process of including the ten schoolwide components in your campus plan as required in Public Law 107-110, Section 1114b. This document includes an interactive CD with additional information, templates, and links related to each of the ten components. The CD also includes multiple campus/district planning and assessment resources, as well as forms to keep you in compliance at required Title I meetings. Price: \$6.00

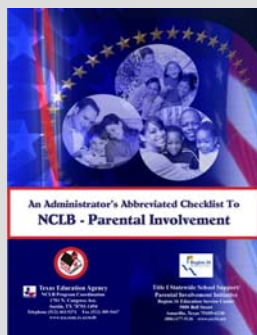

Texas Statewide System of School Support

The Texas Statewide System of School Support document describes the purpose of school support and the key agencies involved in school support in Texas. The School Support document includes an interactive CD with numerous power points, helpful resources, and relevant links. The CD also includes principal planning guides from SIRC and extensive information regarding each stage of School Improvement. Price: \$8.00

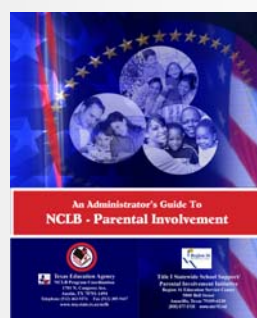

PARENTAL INVOLVEMENT

An Administrator's Abbreviated Checklist to NCLB—Parental Involvement

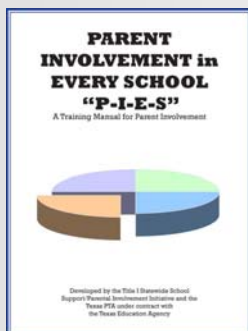

The Administrator's Abbreviated Checklist provides parental involvement requirements and pertinent information without detailed explanation, referencing: 1) The Statute, 2) Title programs, 3) Who must comply, 4) When the requirement should be completed, 5) Allowable form of documentation, and 6) Date of completion. Price: \$3.00

An Administrator's Guide and Checklist to NCLB—Parental Involvement

The Administrator's Guide provides expanded information about each NCLB Federal program as it relates to Parental Involvement addressing: 1) Intent and purpose, and 2) Allowable uses of funds. *The Checklist* features the same columns as the Abbreviated Checklist, but includes an expanded explanation of parental involvement requirements as mandated by NCLB. Price \$5.00

Parent Involvement in Every School (P.I.E.S.) Manual

The P.I.E.S. Manual is a training tool for parental involvement: 1) Each section includes a proposed agenda, trainer notes, resource information, and handouts; 2) Training sections address how students benefit from parental involvement, understanding your school, and how Texas parents become involved; 3) Training material includes relevant information from TEA and NCLB legislation. Price \$6.50
