

Are you ready to Elevate Your Impact?

Dear Colleagues,

As we embark on another transformative school year, I am delighted to welcome all of you to the Texas Strategic Leadership (TSL) initiative for the 2024-2025 school year. It is my honor to introduce you to the vital work we will engage in and the powerful role that executive coaching will play in our collective journey.

Like you, we are committed to fostering growth and excellence among our educational leaders across Texas. Our goal is to guide you through the development of your executive coaching skills and provide you with just-in-time resources to hone your craft.

As you well know, the challenges of educational leadership are complex and ever-evolving. Our approach to executive coaching is grounded in the belief that **"A good coach can change a moment; however, a great coach can change a life."** Through carefully curated and created tools and resources, we strive to not only address immediate needs but also to cultivate long-term growth and development in each of you. Our coaches are dedicated to empowering you to become visionary leaders who can confidently and clearly help others navigate the strategic planning journey.

Throughout the year, you will have the opportunity to engage in a series of coaching sessions, workshops, and collaborative activities designed to enhance your leadership capabilities. Our coaches will work closely with you to identify your strengths, address challenges, and develop actionable strategies that align with your goals and the needs of those you are serving.

We understand that the success of our schools and districts hinges on the effectiveness of our leaders. By investing in your professional growth through executive coaching, we are collectively investing in the future of our students and communities. Together, we can create environments where every student has the opportunity to thrive.

I encourage you to fully embrace the TSL initiative and the support offered by our executive coaches. Take advantage of the resources and expertise available to you, and do not hesitate to reach out to our team for guidance and support. Let us work together to elevate our impact, inspire our teams, and make this school year a resounding success.

Thank you for your dedication to excellence in education. I look forward to witnessing the incredible progress we will achieve together.

Blessings,

Dr. Tanya Larkin
Executive Director
Education Service Center Region 16
