

Parent-Student Home Survey

Your Name _____ Date _____

Child's Name _____ Grade _____

Please answer each question by placing **one** check mark for each statement under the category that most fits your current feelings. This information will assist the Parent Partnership Team in providing more ways to help parents. *Your name will not be used. Please be honest in your answers.*

	Almost Always	Usually	Some-times	Almost Never	Never	Don't Know
1. I know what the school's policy is for completing homework.						
2. I make sure that my child has completed all homework assignments.						
3. I communicate with the teacher when my child is consistently having trouble completing assignments.						
4. I know what my child is doing in school.						
5. I have worked out a place free from distractions where my child can do homework.						
6. I have developed a time when my child does homework.						
7. I come to PTA/PTO meetings at school.						
8. I come to parent-teacher conferences.						
9. I attend workshops, when offered, about how to help my child do better in school.						
10. I read the school newsletter to get more information about what is happening at school.						
11. I provide guidance and support when my child does his or her homework.						
12. I call the teacher to discuss problems.						
13. I come to school events.						
14. I am aware of what the curriculum is for my child.						
15. I read aloud to my elementary age child every day.						
16. I would like to know more about serving on a school committee.						
17. I limit my child's TV viewing time.						
18. I take my child to the library and other places in the community.						
19. I read often and make sure that my child sees me reading.						
20. I understand what it takes for my child to do well in school.						

What you do at home is critical to your child's success in school and in life. Talking with your child about school and checking to see if homework is completed shows your child that schoolwork is important to you.
