

PARENT SURVEY

To: Parents

From: The Family Involvement Coordinator

The education of our children is a team effort involving both school and family. We know you want to be involved in your child's success in school. My job is to provide activities that strengthen the partnership between home and school.

We need your help! Listed below are some possible topics for workshops. Please take time to read the list and circle the workshops you would be most interested in attending.

I am interested in the following topics:

Academic topics such as:

Preparation Strategies for Test-taking
How to Conference with Teachers
Computer Classes
Helping with Homework
Make-N-Take Sessions
English as a Second Language (ESL)

Parenting topics such as:

Parenting Styles
Effective Discipline
Healthy Family Relationships
Self-Esteem
Children & Stress/Peer Pressure
Effective Home/School Communication
Volunteer Training

Parenting topics such as:

Nutrition
Step-Parenting
