

TEACHER SURVEY

To: Teachers, staff

From: Your Family Involvement Coordinator

I need your help! Please complete the following survey. Circle the **SIX** topics you feel are most important in helping our students succeed in school. Thank you.

1. Parent workshops on child development
2. Parent workshops on home reinforcement of skills
3. Parent workshops on parent-teacher conference
4. Parent workshops on discipline in the family
5. Parent workshops on nutrition
6. Parent workshops on preparing students for test taking strategies
7. TAKS information sessions
8. Parent workshops on parenting skills
9. Parent workshops on building self-esteem
10. Parent workshops on developing language skills at home
11. Workshops for parents to make and take materials to use at home
12. Make home visits to parents/families
13. Coordinate services between teachers and volunteers
14. Teacher workshops on maintaining good home-school relationships
15. Assist teachers in using volunteers effectively
16. Assist teachers with parent and/or student conferences
17. Provide release time for teachers to make home visits
18. Teacher workshops on alternative modes of teacher/parent communications.
19. Provide information for teachers regarding community resources.

*Comments, suggestions, ideas, etc. are all very welcome.
